**EBBTIDE's CAMPIONE 200 BOW RIDER WITH LINER:**  
**Performance of A Bow Rider, The Convenience of an Integrated Liner**

**WHITE BLUFF, TN (MARCH 2004)** - The **Campione 200 Bow Rider with Liner** is making waves as the newest boat in the Ebbtide line for the upcoming season. The 200 BRL combines Ebbtide Boats' classic sport boat look with the functionality of a fully integrated fiberglass liner. This liner allows you to scrub down and clean the interior. Snap-in the optional cockpit carpet (if you prefer the softer sole) and you'd never know it was lined. This boat also features a redesigned walk-thru transom, a sporty new instrument panel with a 5" tach, and Shock-Absorbing-System (SAS) adjustable bucket seats with flip up bolsters. This compact fun machine efficiently uses its 19' 8" length and has room for you and nine friends for fun on the water.

The **Campione 200 BRL** is NMMA certified and features a roomy sport interior with adjustable driver and passenger bucket seats, deluxe tilt steering, rear bench seat, and U-shaped bow seat. Other standard features include in-floor ski and knee board storage, AM/FM stereo/CD player, insulated cooler with drain, and a swim platform.

The classic silhouette of the **Campione** Series is complimented by bold stripes on the exterior (pictured with optional full hull stripe), available in Ebbtide's new color schemes. This 3,200 pound (dry weight) sport boat comes with several engine options, from the carbureted 5.0L to fuel injected 5.7L in both Mercruiser or Volvo with MSRP starting at \$29,879. (trailer not included) It has a 36 gallon fuel capacity.

As with all Ebbtide Boats, each hull and deck is 100% hand laid with a first layup of fiberglass mat and Ashland AME 5000 resin and then successive layers of fiberglass mat and roving using Ashland low VOC resin for lighter and stronger construction. In addition, Ebbtide makes a conscious effort to use materials that are environmentally friendly. Because of the time and care put into each and every boat, only a limited number of boats are produced each year. For more information, please call 615/797-3193, fax 615-797-4889, email [info@ebbtideboats.com](mailto:info@ebbtideboats.com), or visit the web site at [www.ebbtideboats.com](http://www.ebbtideboats.com).
