**Ebbtide's Campione 180 Bow Rider:  
Affordability, Convenience, and Pure Fun**

**WHITE BLUFF, TN (April, 2002)** - The **Campione 180 Bow Rider** is making waves as Ebbtide Boats' classic sport boat. This compact fun machine efficiently uses its 18' 4" length and has room for you and six friends for fun on the water.

The **Campione 180** features a roomy sport interior with adjustable driver and passenger bucket seats, rear bench seat, and U-shaped bow seat. Other standard features include in-floor ski storage, AM/FM stereo cassette, and a swim platform with ski tow rope storage.

The classic silhouette of the **Campione** Series is complimented by bold stripes on the exterior, available in Ebbtide's new color schemes. This 2,300 pound sport boat comes standard with a 3.0 liter Merc or Volvo engine for a MSRP of \$\_\_. It has a 20 gallon fuel capacity. Options include deluxe tilt steering and digital depthfinder.

As with all Ebbtide Boats, each hull and deck is 100% hand laid with a first layup of fiberglass mat and Ashland AME 5000 resin and then successive layers of fiberglass mat and roving using Ashland low VOC resin for lighter and stronger construction. In addition, Ebbtide makes a conscious effort to use materials that are environmentally friendly. Because of the time and care put into each and every boat, only a limited number of boats are produced each year.
