Ebbtide 2200 Mystique Lined Bow Rider :
Delivering the Luxury of Space with Unsurpassed Power & Performance

WHITE BLUFF, TN (May, 2002) -- If you need extra room on the water for family and friends, but still desire unsurpassed performance and handling, then Ebbtide has the luxury pleasure boat for you.

The **2200 Mystique Lined Bow Rider** is capable of holding you and nine of your best friends for a day, or weekend, of play and pleasure. At 21' 8" in length, this boat offers a variety of standard features, including a center walk through transom, bi-fold walk through door, snap in/snap out berber carpet, swim platform with ladder, wrap around bench seating, sink with faucet, insulated cooler with drain, AM/FM stereo/CD player with remote, tilt steering, color matched bimini top and boot, storage area in bow and rear bench, and ski storage beneath. An optional extended swim platform, as pictured in the attached photograph, is also available with this boat.

The **2200 Mystique Lined Bow Rider** comes standard with a multi port fuel injected 5.0L Merc or Volvo engine. It has a 55 gallon fuel capacity. Optional engines are also available; see your nearest dealer for details.

Jump into the driver's seat and experience one of the quietest boats on the water. Every Ebbtide boat is NMMA certified and uses closed-cell urethane foam overlaid with fiberglass mat and Ashland resin on all hull sides, giving you a quieter ride and stronger hull.

"The 2200 has been a long time in the making, and we weren't about to release it until it met our performance standards," says Tommy Trabue, Ebbtide President. "Well now it does, and we'll put the 2200 Lined Bow Rider up against a comparable boat. We think you'll be pleased."

As with all Ebbtide Boats, each one is 100% hand laid with successive layers of low VOC Ashland resin, fiberglass mat, and roving for lighter and stronger construction. Because of the time and care put into each and every boat, only a limited number of boats are produced each year. For more information, please call 615/797-3193, email info@ebbtide.com, or visit www.ebbtideboats.com.
