### **EBBTIDE 'S MYSTIQUE 2300 SPORT CUDDY**

**WHITE BLUFF, TN (Summer 2002)** -- Ebbtide is proud of their **Mystique 2300 Sport Cuddy**, boasting numerous conveniences and options. This cuddy is tooled on Ebbtide's excellent performing 2300 Mystique BowRider Hull.

The **2300 Sport Cuddy** is a great addition to Ebbtide's luxurious Mystique line of boats. Ebbtide's new cuddy is very popular in all areas of the country, especially in the Northeast, and in the European markets.

The **2300 Sport Cuddy** exceeds all cuddy expectations and offers invaluable amenities to its occupants. This live on/stay on boat is rated for 8 people and can sleep a small family. It features a large v-berth with cushions, a table, courtesy lighting, ample storage and a cabin that allows full head room around the mid section when sitting. Paying attention to all details, Ebbtide added more convenience when they installed the portopotty on the starboard side as opposed to the standard mid potty under the bed cushion in the middle of the boat. The result: more convenience and privacy for the boat occupants.

In addition to the spacious cabin, the **2300 Sport Cuddy** offers numerous cockpit conveniences such as adjustable bucket seats, rear L shape seating with transom door, drink holders, center steps for easy access to the forward deck, a depth finder and dashboard with full complementary gauges that have lifetime warranty. Behind the drivers seat is a convenience center with a sink, cooler and storage. This, coupled with the unique seating, ensures a memorable boating experience.

Offering the options of an extended swim platform, stainless steel gunwale insert and an alcohol stove, this boat is extremely convenient for family fun in the sun! A transom shower is also an option to clean all the sand off before the family retires for the night.

The **2300 Sport Cuddy** stretches 23'2" and has a 70 Gallon gas tank. With an 8'6" beam, it is a legally trailerable boat. This Sport Cuddy comes standard with a MerCruiser 5.0L EFI MerCruiser.

As with all Ebbtide Boats, each one is 100% hand laid fiberglass for lighter and stronger construction. Because of the time and care that is put into each and every boat, a limited number of boats are produced each year, and each boat is one of a kind. For more information on Ebbtide Boats, please contact Ebbtide at 615/797-3193 or visit their web site at [www.ebbtideboats.com](http://www.ebbtideboats.com).
