**EBBTIDE'S CAMPIONE 210 BOWRIDER**  
**AWARDED POWERBOAT 2001 AWARD FOR**  
**OUTSTANDING RUNABOUT PERFORMANCE**

**WHITE BLUFF, TN (May, 2001)** - Ebbtide Boats, manufacturer of superior hand-made, hand-laid powerboats, received their **16th Powerboat Award** for Product Excellence. **The Campione 210 Bow Rider received the 2001 award for Outstanding Runabout Performance.**

The 2001 performance trials were held just off of Captiva Island, FL and took place in the middle of weather that was less than ideal. This weather did not affect the courageous 210 at all. The staff was impressed by the solid handling the boat displayed while tackling 4-foot waves, and the overall smooth running of the boat. At the trials, the Campione was powered by a MerCruiser 350 Mag MPI and reached a speed of 56.2 mph due to poor weather. Given smoother water, the Powerboat staff projected the 210 would likely reach 60 mph.

They also noted that the Bow Rider is a great tow boat for recreational skiers. The boat laid down soft wakes for skiing.

The 210 Campione Bow Rider is part of Ebbtide's award-winning lines of Campione and Mystique boats. The Campione 210 Bow Rider features a loaded interior with driver and passenger adjustable bucket seats and rear bench seat and bow seating. For the water ski enthusiasts, the 210 comes with ample storage for ski-tow ropes and floor storage for skis.

Perfect for family and friend outings, the 210 Campione can fit up to ten passengers. It also comes with a standard insulated, built-in cooler and drink holders.

As with all Ebbtide Boats, each one is 100% hand-laid fiberglass for lighter and stronger construction. Because of the time and care that is put into each and every boat, a limited number of boats are produced each year, and each boat is one of a kind. In 1998 Ebbtide's Campione 198 was awarded Powerboat Magazine's "1999 Runabout of the Year". For more information on Ebbtide

Boats, please contact Ebbtide at 615/797-3193 or visit their web site at [www.ebbtideboats.com](http://www.ebbtideboats.com).
