### Ebbtide's 2660 Z-Trak Stars in Movie

Ebbtide Boats' new deck boat will make more than a cameo appearance in the upcoming film

"The Prince and the Pauper." The 2660 Z-Trak Dual Console Fun Cruiser will play a central role appearing in several scenes throughout the

movie, which is being touted as a modern take on a classic Mark Twain story.

"We couldn't be more pleased that our 2660 Z-Trak was chosen to be showcased in this upcoming hit movie," said Ebbtide President Tommy Trabue, adding that this is the biggest movie role Ebbtide has played in its 40-year history. "Just like Hollywood, our boats stand out, showing off the most beautiful characteristics of what a boat should offer."

Shot in West Palm Beach, Fla., twins Dylan and Cole Sprouse, of "The Suite Life of Zach and Cody," are the stars of the movie, which is expected to have a PG rating. Produced by Oak Film LLC, the movie is scheduled to hit theaters this summer.
